And What Have You

By BOB CRAIG

The other day in the drug store the talk got around to shortages — how a year ago there didn't seem to be a shortage of anything and now there seems to be a shortage of everything. And someone added, "Yeah, even vice presidents."

Of course this was after Agnew's resignation and before Gerald Ford was named by President Nixon to replace him.

About the only bright spot we can see in this whole sordid mess is that while man keeps failing the system, the system has not failed man. Where else but here in the United States could the second highest official of the land not be above the law.

And strangely enough, while we have three branches that caught up with Agnew. It was a part of the executive branch, the Justice Department, that developed the case that brought about Agnew's resignation.

The balance of this column will be for Piper fans but then that seems to include most everyone around here.

In the process of keeping up with the play by play action of the Pipers in each game we also keep the unofficial statistics and thought you might be interested in some of these figures at the end of the first five games.

In the scoring department, the Pipers have accumulated 170 points while giving up only 39. A break down by quarters reveals that the Pipers have yet to yield a score in the first or last quarter in the five games. The score by quarters reads: 54-0, 44-19, 27-20 and 45-0.

In the first down department the Pipers are ahead of their opponents, 72-58.

It may seem strange but the Piper's opponents have had the ball for more plays than have the Pipers, but have not been able to do much with it. The Pipers have run 207 times for 1,512 yards, or an average of 7.3 yards per carry while their opponents have run 219 plays for 570 yards, or an average of 2.6.

Because of the lack of need, the Pipers are trailing in the passing department with 214 yards to their opponents' 329 yards. The Pipers have completed 16 of 44 and the opponents have completed 24 of 71. The Pipers have intercepted six and have had four picked off.

The Pipers have a combined offense of 250 plays for 1,726 yards, or an average of 6.9 per play while their opponents have run 290 plays for a total of 853 yards, a 2.5 average.

In the punting department Steve McKissack is averaging 37.5 yards on 21 punts.

The Pipers have given up 361 yards on 34 penalties while their opponents have given up 209 yards on 26 penalties.

The Pipers have lost five fumbles and recovered 14.

In the individual statistics, Johnny Jones is far and away the top ground gainer with 906 yards on 87 carries, for an average of 9.3 per trip. His 178 yards against Childress put him over the 3,000 yard mark for his career. In 24 varsity games he has carried the ball 335 times for 3,010 yards, or an average of 9.0 yards per carry. He has scored 230 points, 66 this season.

The next top rusher for the Pipers is Albert McAfee with 47 carries and 258 yards and 24 points. He is averaging 5.5 yards per carry. He is followed by Ronnie Maberry with 15 carries for 101 yards and a 6.7 average. He has scored 12 points.

In the passing department, Willie Hooper has completed 13 of 35 passes for 166 yards and one interception. He has a 37 percent completion average and has thrown for two touchdowns. Tracy Rowland has completed three

Pipers to Open District Play Friday At Winters

The Hamlin Pied Pipers will open District 6-AA crown at Winters Friday when they take on the Blizzards. Kickoff time will be 7:30.

The Pipers closed out the non-conference half of their schedule last Friday with a 34-20 win over the Childress Bobcats to remain undefeated after five games. The Blizzards were idle and will carry a 1-4 mark into Friday's contest.

Coach Bill Grissom, in giving the scouting report to the Booster Club Monday evening

said that while the Blizzards own a 1-4 record they are a young club that could jell at anytime. He reminded the Boosters that the Pipers went into district play last year with a similar record, but then went on to win the title.

In other action around the district, Stamford will host Ballinger and Haskell will host Anson.

The Hamlin Junior Varsity will host the Abilene Cooper "B" Team here tonight (Thursday) with the kickoff scheduled for 7 p.m. The Freshman game with Sweetwater has been cancelled. Last week the JV's were idle while the Fresh-

men defeated Paducah here, 31-14.

The Blizzards will be operating from the Wishbone formation with 160-pound Mitch Davis at quarterback, 165-pound Johnny Ray Liggins at fullback, and 175-pound Ricky DeLaCruz at one halfback and 155-pound Jim West at the other halfback spot. DeLaCruz is considered the best runner for the Blizzards.

In the line will be 150-pound Bobby Poindexter at split end, 175-pound David McAdoo at tight end, 170-pound Donald Rogers at one tackle and 155-pound Lonnie Briley at the other. At guard will be 165-pound Kyle Poe and 165-pound JoRay DeLaCruz, and at center will be 170-pound Berry Poe.

Local Nazarene Church Plans Revival Here

He has contributed articles to the "Herald of Holiness" and the "Preacher's Magazine." His wife assists in the meetings as organist and pianist and accompanies her husband in his solo singing.

Weekday services are at 7:30 p.m. Sunday services are at 10:45 a.m. and 6 p.m.

Chief Wheat Sets Rules for Halloween

Ed Wheat, Hamlin Chief of Police, said this week that he had been receiving inquiries about restrictions to be enforced during Halloween.

Chief Wheat said that several inquiries were about egg and water balloon throwing. This will be allowed, he said, as long as they are not aimed toward buildings, homes and automobiles.

Destruction of property will not be tolerated, he said.

The Chief urged all young people to spend their energies Saturday evening Oct. 27, at the city-wide Halloween Carnival to benefit the proposed Child Day Care Center. In this way, he said, the young people could be contributing to a worth while cause while also having fun rather than being destructive.

He added that it would be wise for parents to plan to take their young children "trick or treating" early in the evening before dark. Also, he suggested that parents not take their children into a strange neighborhood. "Know the people you let your children trick or treat," he cautioned.

Fund Drive Head Named

Joe E. Ford, chairman of the local Salvation Army Service Unit, announced that Pat Willoughby of Joe Hudspeth's Tire and Appliance Store, will be the campaign chairman for the 1973 Salvation Army fund drive in the Hamlin area.

FROM THE FILES . . .

FIFTY YEARS AGO
(October 26, 1923)

Every lover of football received his full capacity of enjoyment, if he witnessed the game of the local field last Friday, when Hamlin High School and Roscoe High School played. It was without question the best game ever played in Hamlin. Final score for the game was Hamlin 38 and Roscoe 13.

The Herald announced last week that the Jayton Band would play on the streets of Hamlin while passing through from Rotan to Jayton. There was a big crowd out to see and hear the band, but no band showed up. The only thing to entertain them was a display of liquor burning for several minutes. We discovered that the river between Aspermont and Jayton was impassable on account of the bridge being out, and to get through it would be necessary for them to double back from Rotan and go around by Girard. That would take most of Sunday night, so they decided to leave Hamlin out.

The speed limit, inside the City limits of Hamlin is fifteen miles per hour and to run a car faster than this on any street is very dangerous. If you do not adhere to this law, and are caught breaking this limit, the penalty for the first offense will be doubled for each offense there after until the limit is reached.

The first suit by the Texas Farm Bureau Cotton Association against a Jones county member, alleging failure to deliver cotton under a marketing contract, was filed in Anson in the District Court one day last week.

TWENTY YEARS AGO
(October 23, 1953)

The first nine months of 1953 brought the Hamlin area more rain than the entire year 1952 registered, it was revealed when the Herald did some checking up this week on the rainfall figures. The total also was more than the rainfall for the entire year.

Six Hamlin people interested in Boy Scout and Cub Work attended a "Together We Organize" supper Monday evening at the Stamford County Club for Scouters of the Northern District of the Chisholm Trail Council. The dinner was served as a compliment by the Stamford Rotary and Exchange Clubs.

McCauley Senior 4-H Club was recently organized for the current year. The following officers were elected: Robert Gartman, president; Lloyd Bowen, vice-president; Sammy Halcolm, secretary; and Dwayne Potts, reporter. Sixteen members were enrolled in the club.

Singers of Haskell and Jones County will gather for a singing Sunday afternoon at the Swenson Avenue Baptist Church in Stamford. Singing will get underway at 2 p.m., to which the public is invited.

Lone Star Gas Company has begun construction of a 36-mile pipeline from Stamford to Abilene, which will strengthen the gas supply for towns in eight West Texas counties, including Jones County. The pipeline facilities, designed under supervision of Thomas S. Bacon, chief engineer, will cost in excess of \$838,000 and will serve as a second connection with the company's inter-connected transmission network for the local distribution plants.

TEN YEARS AGO
(October 17, 1963)

One of the top games in the area will be unfolded when the Pied Pipers open district warfare in Stamford at 7:30 p.m. Friday night. It will be the

opening conference game for both teams and each will carry a 4-1 record into the game. Both teams were knocked from the ranks of the unbeaten Friday night, Stamford by Snyder and Hamlin by Post. Stamford lost an offensive battle with Class AAA Snyder, 28-21.

The Lakeview Golf Course will reopen Saturday after being closed for the past two weeks. The club has been working on the greens and will have all of them ready by Saturday. Hamlin will kick off the 1963 Boy Scout Fund Drive with a early morning breakfast at Carpenter's City Cafe Friday, Oct. 18. The breakfast will be held at 6:30 a.m. Team captains are in the process of recruiting workers who will attend the early morning breakfast. Object of the campaign is to contact some 325 firms or citizens. It is hoped that the campaign can be completed in two weeks time.

Sixteen of the 64 boys competing in the Punt, Pass and Kick event here Saturday went home with prizes for the top four scores in the four divisions. The competition, sponsored locally by Connally Ford Division of the Ford Motor Company and the National Football League, was held at the Pied Piper Stadium at 2 p.m.

Pipers Thrill Homecoming Crowd With Childress Win

The Pied Pipers thrilled a huge homecoming crowd here Friday night by defeating the Childress Bobcats, 34-20. The Pipers struck with lightning like speed to put 20 points on the scoreboard in the first quarter, added 14 more in the second and then fought off a determined Bobcat team in the final two quarters.

The Bobcats scored once in the second period and twice in the third before the Pipers shut them off in the fourth. The Pipers failed to score in the second half, but did have one 85-yard touchdown by Johnny Jones called back in the third period.

The Pipers scored three times in the first period in just over five minutes with Jones, Albert McAfee and Bill Cork each putting six points on the board. Quarterback Willie Hooper added the two points to round out the first period scoring.

Jones and Ronnie Maberry put 12 more points on the scoreboard in the second period with Steve McKissack adding the points after.

With his two touchdown runs of 25 and 70 yards, Jones brought his season scoring total to 66 points and was the night's leading rusher with 178 yards in 15 carries.

The Pipers missed on their first scoring opportunity when they recovered a Bobcat fumbled punt on the Childress 17-yard line but failed to make it on in for the score. On fourth down, McKissack tried a 33-yard field goal that missed the mark.

Taking over on their own 20, the Bobcats fumbled again on third down with Hamlin recovering on the Childress 25-yard line. It just took the Pipers one play to get on the scoreboard with Jones going the 25 yards on a draw play. The kick was no good.

Following the kickoff, the Bobcats failed to make a first down and punted out to the Piper 44. Jones ripped off 36 yards to the Bobcat 20 and then McAfee went off his left tackle for the 20 yards and the score. The kick was again no good and the Pipers led 12-0 with 5:47 left in the first period.

The next Piper score came when a bad snap sailed over the

head of the Bobcat punter with the Pipers taking over on the Childress 26-yard line. Two running plays netted the Pipers one yard and then a pass from Hooper to George Titus fell incomplete. On fourth down Hooper connected with Cork in the end zone for the score. Hooper added the two points on a run around his right end.

Halfback Joe Arellano, the Bobcat's leading rusher of the night with 91 yards in 25 carries, returned the kickoff back 45 yards to the Hamlin 45 to set up the first Bobcat score of the night. The Bobcats picked up three first downs in seven plays to gain a first down at the Hamlin one-yard line and then Quarterback Jeff Reed carried in for the score. The two-point try failed.

Hamlin returned the kickoff back to their own 30 and netted no gain on first down before calling on Jones who raced the 70 yards for the score. McKissack kicked the point after.

Following the kickoff, the Bobcats gambled and failed on fourth down at their own 46 with the Pipers taking over at that point. Taking over for Jones, who retired to the sideline for the remainder of the first half, Maberry carried for six and then Hooper picked up 15 yards and a first down at the 25. On a good run around his left end, Maberry broke several tackles and raced into the end zone for the Piper's final score of the night. McKissack again added the point after.

The Bobcats opened up the second half with Arellano carrying the ball six times in row to gain 23 yards before the Cats punted from the Hamlin 37. The punt was killed on the Hamlin two. McAfee carried out to the five but a penalty moved the ball back to the three on the next play. The Bobcats

recovered a Piper fumble at the Hamlin five-yard line and it took Tim Lewellen just two plays to make it in for the score. The kick was good for the point after.

On the first play following the kickoff, Jones ripped off 85 yards to the goal line only to have the run called back and the ball placed back on the 10. The Pipers failed to make a first and punted. Neither team could make a first down on their next series and exchanged punts.

Arellano returned McKissack's punt from the Bobcat 49 to the Piper's 15 to set up the final score of the night. The Bobcats drew a five-yard delay penalty and then Arellano carried the ball twice, once for nine yards and then for 12 and the touchdown. The kick was good to make the score 34-20 with 18 seconds left in the third period.

While the Pipers failed to score in the final period, they did take control of the game as they picked up seven first downs to the Bobcats' two. On the first series of downs in the final period the Pipers moved from their own seven to the Bobcat 35 before losing the ball on their second fumble of the night.

On their next series, the Pipers moved from their own 15 to the Bobcats 15 before giving up the ball again, this time on downs. The Bobcats failed to get the ball past mid-field during the final period.

Anson Chamber Seeking Sewing Machine Operators

Anson has been selected as the location for a sewing factory that will employ a substantial number of persons living in Jones and adjoining counties and begin operation immediately after a sufficient labor supply is assured, it has been announced by the Anson Chamber of Commerce.

The plant will be a unit of a reliable, going manufacturing concern which has already established a nationwide market for its products that are in popular demand.

Company officials are expanding operations to take care of a backlog of orders that cannot be filled fast enough in the present plant. Adequate working force in the proposed new plant immediately is therefore of major concern, they said.

A training program for inexperienced workers is maintained by the company and persons qualifying for employment will be placed on an attractive wage scale from the start, with bonus and premium awards available as they are earned. Other benefits, including insurance, holidays and vacations are also assured.

Only other requirement of the company for opening the Anson

Plant and starting operation at once is an existing building for sale or lease, and arrangements for a suitable building are expected to be completed this week.

Persons interested in employment of this type should fill out the labor survey blank
